

The Daughter of the Regiment Field Trip Permission Slip

Event Information: Marie is no ordinary canteen girl. Adopted and raised by a squadron of French soldiers and unaware of her aristocratic lineage, this spunky young woman falls for a handsome villager. But when her past comes to whisk her away, will she fall in line or follow her heart? A laugh-out-loud hit, Donizetti's romantic comedy mixes hilarious hijinks with vocal pyrotechnics in this witty and heartwarming production.

The Daughter of the Regiment has romance, humor, vocal pyrotechnics—and one of the most unique roles in the repertoire, the Duchess of Krakenthorp. This cameo role has a storied history of portrayal by actors and public figures (including late Supreme Court Justice Ruth Bader-Ginsburg and Golden Girl Bea Arthur). In MN Opera's production, the role of the Duchess of Krakenthorp will be performed by American drag queen **Monét X Change**, instantly familiar to any RuPaul's Drag Race fan. Don't miss Monét X Change this February 4–12!

Sung in French with English captions projected above the stage. Costumes created by Washington National Opera Costume Studio.

Students will leave Minnesota Opera Center at 7pm. Following the end of the performance at 10pm, students will depart from the Ordway and return back to Minnesota Opera Center around 10:15pm. Snacks will be provided during intermission.

Please fill out the bottom portion of this slip and return it to Fei Chen at ychen@mnopera.org as soon as possible but no later than Wednesday, January 25 to secure a ticket for your child.
